the global church

"Intentional collaborations require humility and appreciation for the larger Body of Christ... God's mission is best served when we humble ourselves to learn from each other and draw from each other's strengths."

A different face in mission

Would you like to join hands in mission with inspirational individuals serving God in their own contexts?

Toti: CMEC, Kyangwali refugee settlement, Uganda

Toti Jacob Finosa is from South Sudan and is the founder and director of the Christian Mission Empowerment Centre. He lives with his wife, Grace, and family in Kyangwali.

Toti works with a committee to support a nursery and primary school in the camp, regular Bible studies and fellowship meetings, a women's empowerment group, skills training in pig-keeping and tailoring. The CMEC is also establishing a vocational training centre. The majority of people in the settlement have fled violence in DR Congo.

As with all our Local Mission Partners, your support will help Toti's ministry flourish – prayer fuel and financial support will enable him to continue to dedicate himself to full-time ministry.

Seme Peter Christ's own: Save Life Ministries, Koboko, Uganda

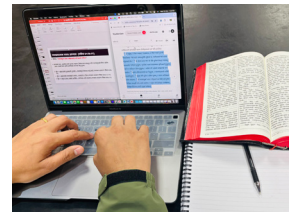

As the founder and director of Save Life Ministries in Koboko, Uganda, Seme Peter receives no salary.

SLM seeks to bring holistic spiritual, social and economic transformation to the Refugee Camps in South Sudan and DR Congo. Activities include youth conferences, outreach events, Christian radio programmes, youth leader training, practical skills for employment, Christian family life teaching and Bible studies. SLM works collaboratively with local churches.

Join with us to facilitate Seme Peter's ministry and help him support his wife, Sailan, and his daughter, Nathania.

SS: Nepal

Living and working in a sensitive context, SS is passionate about leadership development for the fast-growing church in Nepal. He develops training materials and teaches at National Churches Fellowship training centre in Kathmandu. SS also visits rural fledgling churches to encourage, teach and mentor the congregations.

As a recently married man, SS has increasing responsibilities at home. Supporting the LMP programme will help SS continue to walk in mission with God.

As part of a new mission venture, **CMS Ireland** is partnering with **Asia CMS** and **CMS Africa** as they support local people sharing God's good news in their own communities. By becoming part of this programme, CMSI will be able to support even more inspiring individuals in mission.
